Leagues

Our first Inland Waters shoot went well, being only 1 point from first place. Our top shooters were John Faust with a perfect 50 (congrats John, on your first competition 50!), Holland Benghe with 49 (another one of our outstanding Junior shooters -way to go Holland), Ryan Murphy (what would we do without our Juniors?), George Pickering and Kyle Tiffany all with 48s.

The 2025 Shortsville Winter League will actually start in December of this year. There will still be ten shoots and will end about the same time in April. Starting a little early allows for some breaks in the schedule. The format and costs will be basically the same as last year. Details will be sent soon.

Monthly Meeting Notes

- New motion lights were installed in front of the Club house, and a dusk to dawn was installed on the power pole.
- Steve Kornbau was loaned an excavator to dig a trench that should direct water from the center trap house. We approved a \$100 gift card to the company as a thank you.
- September 13 marks the start of the Red Jacket trap team which will be practicing and competing at the Club
- A trailer load of targets was ordered from Lowrey, as the delivered price was better than from other suppliers
- Bill Lawrence announced that he is holding a NYS Pistol course at the American Legion and the Club for \$280.
- Representatives from Scope discussed what their funds are used for.
