Leagues

The scheduled Inland Water Trap League for February 7/8 was postponed due to severe weather and rescheduled to the following weekend. Our Winter League was also scheduled for that weekend, so we shot both Leagues on the same days. For the shooters who are members of both Leagues, their score counted for both. We had a lot of shooters! – over 180 rounds were fired. We continue to lead Inland Waters by 4 points. Our top shooters were Jerry Abbott, Steve Day, and George Pickering at 48, Dave Pedulla with 47, and Ike VanBortel and John Faust with 46.

It was the fifth shoot out of ten for the Winter League and attendance remains excellent. Thanks to all who are participating! Don't forget that make-ups are unlimited, so if you are behind, you have plenty of time to get caught up. Don't forget to mark your calendar for the April 25th banquet. You can see the schedule and current scores on our website - [Shortsville Winter League |](#).

Monthly Meeting Notes

- We voted to purchase a refurbished trap machine for \$6500 to replace an existing 30 year old unit that is failing. We hope to sell the three STAR machines and use the proceeds to purchase another machine to replace the one Star that is still in service.
-Raffle tickets are still coming in, and the drawing will be held at the April Club meeting.
-Our insurance premium increased by \$1,047, primarily because we needed to update the coverage that was previously inadequate.
