Monthly Meeting Notes

-The Security cameras approved at last month's meeting will be installed by the end of May.

-Solar lights around the parking lot have been installed.

- We have sold all three of the old Star trap machines and purchased a new (refurbished) PatTrap. All of our trap fields now have PatTraps.

-John Faust reported that the College shoot at our Club, with four colleges attending, was a great success. 32 shooters attended.

-John Faust presented a proposal to support a DryFire brand simulator that could be installed in the clubhouse, primarily to introduce new shooters to the art of clay shooting. He has submitted a grant request to FLCC for \$2000 to buy the machine, and we agreed that upon the grant approval the Club would donate an additional \$2000 to purchase options.
